Subject: RE: Clairton

This is correct. Just to clarify, we are withdrawing the proposed permit from EPA 45-day review, not the draft permit that was submitted for public comment.

Hi JoAnn-

Just looking to memorialize our conversation from earlier:

Per our conversation, ACHD is withdrawing the proposed permit in order to make some additional changes (primarily to the RTC). A new proposed permit will be submitted once those changes have been made.

Regards,
-Dave
